

TOWN OF NEWINGTON

RFP NO. 2, 2013-14

Energy Procurement and Consultant Services

ADDENDUM NO. 1

NOVEMBER 13, 2013

The following additions, deletions, clarifications and changes are hereby provided and shall be considered an integral part of the Request for Proposal documents. This Addendum consists of one (1) page.

On page 2, section I.E., delete “with an overall budget of \$500,000”.

On page 11, section VII.M., delete “\$500,000 budget” and replace with “construction costs for this project that will be estimated by the selected respondent or a professional estimator retained by the selected respondent.”

The following question regarding the Request for Proposals document has been received by the Town and the Town’s response follows the question.

1. Question: Should we include environmental services on our team or will the Town of Newington provide these? Answer: As noted on pages 10-11, section VII.M., the Town has retained the firm of EnviroMed Services of Meriden to prepare specifications, perform testing and provide monitoring related to hazardous materials and any hazardous materials abatement. The Town will pay EnviroMed directly. If there are additional aspects of the scope of work that the respondent feels require environmental services, then the respondent should include an environmental services firm on their team.
